Digital Content Strategist & Creative Consultant, Houston, TX | 2016–Present

- Lead marketing and content strategy for galleries, artists, and design-focused businesses across digital and print channels.
- Design, build, and manage websites (Webflow, WordPress, Shopify) with a focus on user experience, SEO, and conversion.
- Develop structured content workflows and systems to improve consistency, efficiency, and cross-channel alignment.
- Create and manage marketing assets, including newsletters, exhibition materials, and editorial content, to support sales and client engagement.
- Advise clients on brand positioning, digital strategy, and presentation of high-value works and products.

Gallery Director / Marketing & Design Lead, Laura Rathe Fine Art (LRFA), Houston & Dallas | 2011–2015

- Directed marketing strategy for a contemporary gallery, supporting exhibitions, artist promotion, and sales initiatives.
- Managed digital presence, including website, email campaigns, and social media, to drive engagement and collector interest.
- Designed and produced exhibition materials, catalogs, and promotional campaigns aligned with gallery programming.
- Collaborated closely with artists, collectors, and internal teams to ensure a cohesive, high-quality client experience.

Digital Design Consultant

Flow-Cal Inc., Shell Oil, Edelman Interactive | 2001–2011

- Developed brand identities, digital experiences, and marketing materials for B2B and creative clients.
- Led web and UX/UI projects from concept through execution, coordinating across stakeholders and production teams.
- Delivered integrated design solutions supporting both brand development and business objectives.

Education

College of Marketing & Design, Dublin, Ireland
